Skills

Languages: Georgian(Native),English(C1),Russian(A1), German(A1)

Tech Stack: HTML5, CSS3, Sass, Bootstrap, JavaScript, ES6, Regex, jQuery, React, Redux.

Other: Git, VS Code

Summary

Motivated and challenging lover beginner web developer, passionate for all aspects of software development. I love to code and interact with other developers. My favorite language is JavaScript. I recently learned about React.JS and Node.JS. I'm looking for my first dev job. I'm ready to develop myself with exponential speed in this field.
